

## LEASE AGREEMENT

THIS AGREEMENT made and entered into as of this 1st day of September, 2008, by and between the **MEMPHIS AND SHELBY COUNTY PORT COMMISSION**, an organization created by Chapters 500 and 529 of the Private Acts of Tennessee of 1947, as amended, **THE CITY OF MEMPHIS**, a municipal corporation organized under the laws of the State of Tennessee, and **THE COUNTY OF SHELBY**, one of the counties of the State of Tennessee (hereinafter referred to as "Lessors") and **VALERO MKS LOGISTICS L.L.C.**, a Delaware limited liability company (hereinafter referred to as "Lessee");

### **WITNESSETH:**

WHEREAS, the Lessors are the owners and have management and control of certain lands situated in the Memphis and Shelby County Port Commission's Industrial Subdivision on Presidents Island in the City of Memphis which lands include the premises described on Exhibit A attached hereto; and

WHEREAS, Lessee desires to lease said hereinafter described premises for the use and purposes and for the rental and upon the terms hereinafter set forth:

NOW THEREFORE, in consideration of the premises, the mutual advantage accruing each to the other, and for good and valuable consideration, the adequacy of which and the receipt of which the parties hereto acknowledge from the other, the parties agree as follows:

1. The term of the Lease shall commence on **September 1, 2008** and shall be for a period of five (5) years. The Lease will automatically renew for three (3) consecutive terms of five (5) years each.

2. (a) The rental for the period from **September 1, 2008 through August 31, 2013** is **FORTY THOUSAND (\$40,000.00) DOLLARS** per year, which sum is to be paid upon execution of this Agreement. Thereafter, annual rental shall be due and payable on the first day of August each

year for the remainder of the original lease period or any renewal. After the initial five year period, the annual rent for each five (5) year renewal period shall be negotiated by the parties and agreed upon at least 180 days prior to the renewal date, and no increase shall exceed ten (10%) per cent of the most recent previously paid rate. In the event the parties are unable to agree upon the increase, then the annual rent during the next five (5) year renewal period shall automatically increase by ten (10%) per cent of the most recent previously paid rent. Unless advised to the contrary in writing, Lessee shall make all rental payments to the Memphis and Shelby County Port commission, 1115 Riverside Boulevard, Memphis, Tennessee 38106-2504.

(b) The Lessee hereby agrees to be responsible for any and all property taxes and/or special assessments which are now assessed or hereafter assessed against the subject premises or any improvements hereafter installed by Lessee on subject premises during the term of this Lease Agreement and any extended terms thereof. It is specifically recognized and agreed that in the event property taxes and/or special assessments are not specifically assessed against the subject premises, then Lessee will be responsible only for the pro-rata share of the assessment based on the percentage the subject premises bares to the entirety of the assessed area.

(c) Lessee shall pay for all utility services and all other services and installations to the leased premises. Lessee at its expense shall promptly make and pay for all necessary repairs and replacements to the leased property whether interior, exterior, or underground, ordinary or extraordinary, or structural or non-structural, including the reimbursement to Lessors or its tenants for any crop losses, fence damage or other damages due to its activities on the leased property. The Lessee shall at all times during the lease term, at its expense, put and maintain in thorough repair and in good and safe condition all improvements on the leased property and equipment and appurtenances, both inside, outside and underground, structural and non-structural, extraordinary and ordinary, however the necessity or desirability for repairs may occur and regardless of whether

necessitated by wear, tear, obsolescence, or defects, latent or otherwise. The quality and class of all repairs and replacements shall be equal to that of the original work and Lessee shall maintain the demised premises in good repair and in at least as good as condition as that in which they were delivered, normal wear and tear resulting from activities unassociated with Lessee's activities excepted. Lessee shall, at the expiration or earlier termination of this Lease Agreement, surrender the demised premises in at least as good as condition as that in which they were delivered, normal wear and tear resulting from activities unassociated with Lessee's activities excepted.

3. The Lessors do hereby grant, demise and lease unto the said Lessee the premises owned, controlled or to which Lessors are authorized to lease to third parties and described on Exhibit A attached, situated in the City of Memphis, County of Shelby, State of Tennessee for the purpose of constructing, operating and maintaining a pipeline and associated facilities.

4. (a) All improvements which are desired by Lessee and made upon the premises subsequent to the date of this Lease, shall be installed and maintained at Lessee's expense. Other than the pipeline and directly related associated facilities contemplated by this Agreement, no alteration, addition or improvement to the leased premises shall be made by the Lessee without the written consent of the Lessors. Any other alterations, additions or improvements made by the Lessee subsequent to the date of this Lease, after such consent shall have been given, but not fixtures or equipment installed as part thereof, upon the termination of this Agreement, or any extension thereof, become the absolute property of Lessors without payment of any kind therefor. For purposes of clarity, it is specifically recognized and agreed that the pipeline and related equipment are considered fixtures or equipment, not improvements, and shall not become the absolute property of Lessor pursuant to this Section 4 to the extent that Lessee removes such pipeline and related equipment and returns the leased premises in at least as good as condition as

that in which they were delivered, normal wear and tear resulting from activities unassociated with Lessee's activities excepted, within one (1) year after the termination of this Agreement.

(b) Any alterations, additions or improvements to the leased premises shall be made only in compliance with the laws and ordinances of the City of Memphis, County of Shelby, State of Tennessee and the United States of America.

(c) The parties agree that the leased premises are to be used only for an underground pipeline and related operations, all such uses as must be allowable under applicable zoning ordinances. Also, said premises shall be maintained at all times in a condition commensurate with generally acceptable standards of maintenance for such use. Any pipeline shall be buried to a minimum depth of four (4) feet from the top of the pipe to the surface.

(d) Plans for any and all facilities and improvements, to include landscaping, shall be subject to the approval of the Memphis and Shelby County Port Commission, prior to application for a construction permit.

(e) Lessors shall not be responsible for any damage occasioned by Lessee; for loss of profits, lack of accessibility to subject premises, to equipment or otherwise, by any action of the Mississippi River or its backwaters, including flood, except as otherwise provided herein.

5. No sign of any type will be placed on any portion of the leased premises without the express written consent of the Memphis and Shelby County Port Commission. Any such signs shall be used exclusively by Lessee to advertise Lessee's own business. Upon the expiration of this Lease or any extension thereof, Lessee, at Lessee's expense, shall remove all signs placed or erected on the said premises during the term of this Lease, and repair all damage to the leased premises due to the erection and subsequent removal of same.

6. Lessee may not sell, transfer, or assign this Lease or any interest of Lessee hereunder or sublease the whole or part of the leased premises to any person or entity without the

prior written approval of the Memphis and Shelby County Port Commission, other than to a successor to all or substantially all of the property and assets of Lessee, either by purchase, merger, or consolidation, provided no such assignment shall be effective unless and until (a) Lessee provides prior notice of such assignment to Lessor and (b) such assignee shall assume in writing the obligations of the assignor. Any transfer or assignment of this Lease or any interest hereunder or subleasing shall be subject to the terms of this Lease and not relieve the Lessee of its liability for payment of the rent or performance of any covenant or other obligation imposed upon Lessee by this Lease.

7. Lessee shall indemnify Lessors against all liability, loss, costs, damage, expense, or penalty sustained by Lessors, including attorney fees, and other expenses of litigation arising as follows:

(a) For any violation of any law or regulation of the United States, the State of Tennessee, or any of the local laws, county and city, if occasioned by the neglect and fault of Lessee or those holding or occupying under Lessee.

(b) Arising out of, or directly or indirectly due to, any accident or other occurrence causing injury to any person or persons (including death) or property resulting from the use, occupancy, maintenance, or repair of the demised premises or any part thereof, by Lessee or by any person or persons holding or occupying under or employed by Lessee.

(c) On account of or through the use, occupancy, maintenance, or repair of the demised premises or improvements, or any part thereof by Lessee or by any other person or persons holding or occupying under or employed by Lessee for any purposes inconsistent with the provisions of this Lease.

(d) Against all liens and charges of any and every nature that may at any time be established against the premises or any improvements thereon or any part thereof as a

consequence, direct or indirect, of any act or omission of Lessee or any person or persons holding or occupying under or employed by Lessee or as a consequence, direct or indirect, of the existence of Lessee's interest under this Lease.

(e) On account of Lessee's failure to comply with its obligations under paragraph 17 herein including the Applicable Environmental Laws.

8. (a) If the whole of the leased premises, or such portion thereof as will render the premises unsuitable for the purposes herein leased, is taken or condemned for any public use or purpose by any legally constituted authority, then in either of such events, this Lease shall cease from the time when possession was taken by such Public Authority and rents shall be accounted for between Lessors and Lessee, as of such date. Such termination shall be without prejudice to the rights of either Lessors or Lessee to recover compensation for any loss or damage caused by such condemnation. Neither Lessors nor Lessee shall have any right in or to any award made to the other by the condemning authority.

(b) In the event that the premises demised, or any part thereof, are partially taken or condemned for any public use or purpose by any legally constituted authority, but not thereby rendered unsuitable for the purposes for which leased, then, Lessee shall receive a fair and proper abatement of rental from and after the time when possession was taken by such public authority.

9. (a) Lessee at its own risk and expense, during the period of this Lease or any extended term of this Lease, shall provide commercial general liability insurance in the amount of **FIVE MILLION (\$5,000,000) DOLLARS** combined single limits covering property damage and bodily injury with the MEMPHIS AND SHELBY COUNTY PORT COMMISSION, THE CITY OF MEMPHIS, and THE COUNTY OF SHELBY named as additional insureds. This policy will fully protect Lessors from any and all claims for damages to property or persons, including death, which may arise from Lessee's or Sublessee's operations on the leased premises or adjacent thereto, whether such

operations are by Lessee or by anyone directly or indirectly employed or licensed by Lessee or acting under Lessee's authority or orders. Further, this policy shall be written with insurance companies reasonably satisfactory to the MEMPHIS AND SHELBY COUNTY PORT COMMISSION.

All policies should contain language providing that should any of the above described policies be canceled before the expiration date thereof, the issuing insurer will mail thirty (30) days written notice to Lessors.

(b) Prior to inception of the lease term and prior to entering upon the premises the Lessee shall deliver to Lessors certificates of insurance which satisfy the conditions of subparagraph (a) of this paragraph and which certifies that such insurance is in full force and effect.

(c) Within ten (10) days of the expiration of any policy of insurance the Lessee is obligated to carry under this Lease, the Lessee shall furnish a certificate of insurance to the Lessors renewing each such policy. Each policy and/or certificate of insurance shall provide for at least thirty (30) days notice to the Lessors of any material change in coverage or cancellation thereof. Lessee shall promptly deliver to Lessors a certificate from the insurance carrier evidencing each renewal of the policy.

(d) Lessors may at any time upon reasonable notice and at Lessee's principal office where such items are normally maintained, review and inspect pertinent sections of all required policies under this Lease Agreement.

10. Lessors reserve the right to enter, by their duly appointed agents, at reasonable times, and with prior notice, for the purpose of inspection of the premises covered by this Lease Agreement, and for the purpose of maintaining said premises, provided, however, this paragraph shall not affect Lessee's obligations under this Lease.

11. In case Lessee, during the term of this Lease shall cause a default hereunder by committing one or more of the following:

- (a) file a voluntary petition in bankruptcy; or
- (b) make an assignment for the benefit of creditors; or
- (c) be adjudicated a bankrupt; or
- (d) be declared insolvent; or
- (e) abandon the premises; or
- (f) fail to perform any material part of this Agreement including the payment of rent heretofore agreed;
- (g) fail to perform any of the conditions and covenants for construction and maintenance provided for in this agreement;

then and thenceforth, in any of said events, the Memphis and Shelby County Port Commission at its option has the right to cancel this Lease and accelerate any payments due hereunder or the Memphis and Shelby County Port Commission may re-enter and resume possession of same and may at its option relet the premises as agent of Lessee but in the name of Lessor and receive rent therefore applying the same, first, to the payment of expenses to which it may be put in re-entering and reletting and then to payment of rent due by these presents, the remainder, if any, to be paid over to Lessee, who shall be liable for any deficiency, the execution of a new Lease for the same premises being permitted without terminating Lessee's liability or obligation hereunder, such liability to survive.

12. Any rent or other sum (including taxes) payable to Lessors by Lessee under the terms of this Lease which Lessee does not pay within thirty (30) days of the date it becomes due and owing shall bear interest in favor of Lessors from the due date at the rate of twelve percent (12%) per annum cumulative (or at such lesser rate as shall constitute the maximum lawful rate permitted in the State of Tennessee) from time to time until paid.

13. No payment by Lessee, or acceptance by Lessors, of a lesser amount of rent than shall be due from Lessee to Lessors shall be treated otherwise than as a payment on account. The

acceptance by Lessors of a check for a lesser amount with an endorsement or statement thereon, or upon any letter accompanying such check that such lesser amount shall constitute payment in full, shall be given no effect, and Lessors may accept such payment without prejudice to any other rights or remedies which Lessors may have against Lessee. Any payment, however designated, may be accepted by Lessors and applied against any part of Lessee's then existing and then due rent obligations, and Lessor may apply such payment against any sum then due or may retain such payment (without interest) as a credit against Lessee's accruing future obligations.

14. The right in the Lessors to terminate this Lease as herein set forth is in addition to and not in exhaustion of such rights that the Lessors have or causes of action that may accrue to the Lessors because of the Lessee's failure to fulfill, perform or observe the obligations, agreements or covenants of this Lease, and the exercise or pursuit by the Lessors of any of the rights or causes of action accruing hereunder shall not be in exhaustion of such other rights or causes of action that the Lessors might otherwise have.

15. It is hereby covenanted and agreed that no waiver of a breach of any of the covenants of this Lease shall be construed to be a waiver of any succeeding breach of the same or any other covenant.

16. Lessee agrees to pay all reasonable costs of collection, including reasonable attorneys fees, if all or any part of the rent reserved herein is collected after maturity with the aid of an attorney; also, Lessee agrees to pay reasonable attorney fees in the event that it becomes necessary for Lessors to employ an attorney to enforce any of the covenants, obligations or conditions imposed in this Lease.

17. The Lessee shall comply with and cause to be complied with, all statutes, regulations, ordinances and other requirements of any government, whether federal, state or local, as amended from time to time, relating to the property and the use thereof or any part thereof, including, without

limitation, 42 U.S.C. ' 9601 *et seq.*, 42 U.S.C. ' 6901 *et seq.*, 33 U.S.C. ' 1251 *et seq.*, T.C.A. ' 68-212-201 *et seq.*, T.C.A. ' 68-212-101 *et seq.*, T.C.A. ' 68-215-101 *et seq.*, T.C.A. ' 69-3-101 *et seq.*, and all other applicable federal, state and local health or environmental statutes and regulations (the "Applicable Environmental Statutes and Regulations"). Lessee shall also comply with all restrictive covenants and other such restrictions of record and shall meet and comply with all requirements of federal and state common law, *e.g.* Statutes and Regulations and the Applicable Environmental Common Law together are referred to herein as the "Applicable Environmental Laws". Lessee covenants that all reporting requirements of all Applicable Environmental Laws shall be complied with and all spills shall be cleaned and removed in a manner in compliance with the Applicable Environmental Laws, even if Lessee is no longer in possession under the Lease.

18. Until further notice of change of address, any notice in writing given under this agreement shall be sufficient if sent by mail, postage prepaid, and addressed as follows:

Lessors:	Chairman Memphis and Shelby County Port Commission 1115 Riverside Blvd. Memphis, Tennessee 38106-2504
Lessee:	Valero MKS Logistics, L.L.C. Attention: Vice President Logistics and Development One Valero Way San Antonio, Texas 78249-1616

19. It is specifically agreed between the parties that this contract and the enforcement of any of the provisions hereof shall be construed and enforced in accordance with the laws of the State of Tennessee.

20. This writing constitutes the entire agreement by and between the parties and no renewal, extension or amendment of this Lease shall be binding unless in writing and signed by all of the parties hereto.

21. This Lease shall be binding upon the heirs, executors, administrators and assigns of the respective parties hereto.

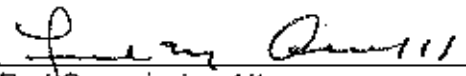

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers or officials, duly authorized so to do, on the day and year indicated below.
